

SUMMER CAMP 2022

During our summer program we will include Montessori lessons, this is what we call “The Montessori taste”. Kids will do their lessons as the normal workshops, but in a shorter time, compared to regular School year. Every day we will do crafts or projects related to their session and on Fridays they will take them home and share them with you!

Also, remember that every Friday we will have water day (if the weather permits). Don't forget to pack: extra clothes, sunscreen, towel, and bathing suits!!! We can't wait for summer and start having fun!!!! **Please check, each session you want to attend**
